Navigating the Miami International Boat Show

The Miami International Boat Show is one of the most anticipated events of the year. The 2023 Show is going to be huge, taking place February 15-19 with more than a thousand exhibitors and hundreds of boats and yachts on display. It will also feature interactive boating experiences, live concerts, and much more. Whether you own a superyacht or are just dreaming of a boat, you won't want to miss it. The Miami International Boat Show is where the best manufacturers in the world show off their newest and most impressive models, along with an inspiring number of brokerage yachts for sale.

WHEN AND WHERE IS THE MIAMI INTERNATIONAL BOAT SHOW?

The boat show will be held February 15-19 this year. It will take place in several locations in Miami with each location dedicated to a specific segment of the boating and yachting community.

One Herald Plaza is dedicated to powerboats and motor yachts 30' to 125', yacht tenders, engines, marine accessories and retail pavilions. This is where the Allied Marine display will be located featuring a diverse selection of brokerage yachts to view. The Ferretti Group, our parent company, will also have a large display in this area dedicated to new yachts from Ferretti Yachts, Riva, Pershing, and Custom Line yachts.

Superyacht Miami at IGY Yacht Haven Grande at Island Gardens is where you'll find the largest superyachts. Please note access is only available with Windward VIP or Superyacht Miami tickets.

For boats up to 49 feet along with engine manufacturers, marine accessories and electronics head to the displays at the Miami Beach Convention Center.

Over at the Venetian Marina you can see over 150 vessels and find additional new and brokerage boats and engine manufacturers.

Museum Park Marina is where you can check out the latest sailboats, catamarans, and sailing accessories.

Across the street from the convention center at Pride Park will be the Boat Show Experience. This will feature wakeboard simulators, a 40,000-gallon test pool, and more. You will also find places to grab a quick drink or a bite to eat.

Consider the Miami Boat Show VIP Experience through Windward, too. When you opt for this experience, you will receive not only tickets to the Miami Boat Show in 2023, but you will also receive a ticket to the Prime Time Preview, Superyacht Miami, and entry to the Windward VIP clubs at One Herald Plaza and the Miami Beach Convention Center.

ALLIED MARINE

78 YEARS

Allied Marine was started in 1945 along the banks of the Miami River in Florida. At the time, World War II veterans were returning and looking for recreation on the water. They wanted to purchase boats and needed a place to service them. Allied Marine was formed to fulfill their needs. The connection to WW2 veterans is how the term "Allied" made it into our company name.

Allied Marine Group was purchased by Winthrop P. Rockefeller, an avid yachtsman and fisherman and the great-grandson of industrialist John D. Rockefeller.

Allied Marine Group establishes locations in Fort Lauderdale, Palm Beach, and Stuart, Florida.

Allied Marine Group further expands to eight sales locations and five service centers on the east and west coasts of Florida.

Allied Marine opens an office at Bahia Mar in Fort Lauderdale to offer brokerage and charter services for superyachts.

2014

In keeping with the times, as the demand for larger vessels grew, the new Allied Marine Superyacht Division was created, located in our Bahia Mar office in Ft. Lauderdale.

2017

Allied Marine begins an enhanced relationship with its controlling company, The Ferretti Group, making Allied Marine the exclusive dealer for Ferretti Yachts, Pershing, Itama and Riva in the United States, as well as an authorized dealer for CRN and Custom Line yachts.

2019

New Ferretti Group Service Yard opens in Ft. Lauderdale, FL. The Ferretti Group Service Yard offers a full range of yacht repair and refit services for vessels up to 300 feet, 16 hurricane-safe slips, a 27,500 square foot workshop with an extensive parts inventory, and travelifts available up to 485 tons.

2021

The Ferretti Group, the parent company of Allied Marine, launched a \$302 million Hong Kong Initial Public Offering (IPO) to finance future investments.

2022

The newly renovated Fort Lauderdale Ferretti Group Flagship Showroom opens to the public. The largest covered in-water showroom in the Americas, encompassing 20,000 square feet. The showroom offers a reception area, Riva Lounge, a dozen covered slips for yachts and superyachts, amid intimate seating and meeting areas.

Allied Marine has over 7 decades of experience helping thousands of yacht buyers and sellers. Beginning in South Florida along the banks of the Miami River, Allied Marine has grown from a local yacht brokerage to a global powerhouse. The exclusive dealer for Ferretti Yachts, Riva, Pershing and Itama in the US, and an authorized dealer for CRN and Custom Line yachts, Allied Marine now has over 45 brokers in 6 US offices. The Fort Lauderdale office boasts the largest covered, in-water marina in the US.

ANNIVERSARIO

THE OPEN POWERBOAT THAT IS
ALREADY A LEGEND.

It's an Aquariva, it's an Aquarama, it's history transformed into future and beauty: Riva Anniversario is an incredible combination of details and inspiration drawn from both of these boats. Only the yard with 180 years of history – the first of Riva's anniversaries in 2022 – could come up with the idea of this jewel of an open powerboat, made in a strictly limited edition, which pays tribute with class and a passion for the brand's history to the two iconic boats that this year celebrate their 60th – Aquarama – and 20th – Aquariva – anniversaries.

A lucky few were able to admire her on the weekend of June 11, exhibited on a floating platform moored in front of another Riva stronghold, the Gritti Palace Hotel, which as one of its many unrivaled attractions has its own Aquariva Super, the “Doge”, for guests to use as a taxi. At the Cannes Yachting Festival, on the other hand, the open powerboat that is already a legend was displayed on a raised platform at the entrance, to the curiosity and delight of all the many visitors.

Riva Anniversario is a unique 33-foot open powerboat with magnetic appeal, paying tribute to the history and legend of the yard that has been making exciting contributions to yachting, design and fine living for 180 years now. And like all true objects of desire, only 18 units will be produced and they have already become collectors items, dreamt of and longed for by everyone who loves Riva and boating as an art form.

The sleekly elegant lines of the Anniversario are designed as always, by Mauro Micheli and Sergio Beretta, founders of Officina Italiana Design, working in partnership with the Strategic Product Committee led by Mr. Piero Ferrari and the Ferretti Group Engineering Department.

The exterior styling is inspired by the Aquariva's classic silhouette, featuring clean lines, balanced volumes, and a series of stylistic details that tap into the Aquarama's refined style. Two legends in a new boat that is already an icon: it could only happen with Riva. But don't be misled by this tribute to past masterpieces because her design expresses Anniversario's distinctive and innovative personality, featuring an exclusive and magnificently modern configuration seen not least in the choice of more saturated and fuller colors for the surfaces, highlighting their character. An innovative Metallic Brown, created exclusively for Anniversario, highlights the dazzling beauty of the boat as a whole and is juxtaposed with gloss varnished mahogany. The color scheme includes masterful contrasts between steel, used for various details and trim, and classic Riva aquamarine alternating with optical white on all the leather upholstery, amplifying its charm.

Riva Anniversario exerts its power of seduction even before you go aboard, with a stern platform concealed and sheltered by the streamlined design of the hull sides. The boat's profile is also enhanced by the aquamarine waterline, which leads into the white antifouling and pays tribute to the Aquarama, as does the name of the model written in the same lettering style as the famous wooden boats of the 1960s. Also echoing the style of the Aquarama, the gorgeously designed protective steel bow cap is joined by the lateral search lights with their classic steel bracket. Adding another touch of style and modernity to the silhouette are side handrails graced with a steel base clad in a refined mahogany fascia.

The entire aft section on board is occupied by the engine compartment hidden below the classic sun pad, which is upholstered with innovative outdoor leather in alternating aquamarine and white colors.

The same leather is used to upholster both the cockpit and the below-deck area. This special type of leather is perfectly waterproof, withstands marine conditions and can be used at sea, ensuring an unrivaled sensation of softness and wellbeing. Designed for functionality and comfort, the cockpit has a new design featuring a large U-shaped sofa and a central table seating up to eight people. But that's not all: the table has an up-down mechanism so that the space can easily be transformed into one big sunbathing area. Another innovative feature is the design of the mahogany cabinetry, which is integrated into the lower part of the sofa and includes storage and lifestyle accessories. The entire area can be sheltered by the distinctive bimini top.

The bow area is run through with unmistakable details in perfect Riva style. Turning to the helm station, the dashboard includes two 12-inch digital displays and integrated navigation instruments. Aquarama-inspired vintage features abound, like the Vienna straw storage pocket with steel trim behind the driver's seat.

The foredeck is clad entirely in polished mahogany planking. Continuing the tradition of hand craftsmanship, all the wooden parts of Anniversario are protected by the Sarnico-based yard's famous twenty-four coats of varnish. Two deck portholes inspired by the Aquarama, one on either side, bring natural light down below deck. The centrally positioned steel casing adds a sumptuously elegant accent to the deck, as well as housing the navigation lights.

Below deck, the ambiance features leather upholstery with an aquamarine and white color scheme that matches the ceiling. Riva Anniversario is fitted with an electronically controlled two-speed gearbox that unleashes all the power of the two YANMAR 8 LV engines, each rated 370 hp. This engine configuration delivers a top speed of 40.5 knots and provides a range of 155 miles at a cruising speed of 36 knots.

The launch of Riva Anniversario also represents an opportunity for Ferretti Group to leave a mark by contributing to a noble cause. Of the 18 unique units of Riva Anniversario being made, one will be immediately donated to the charity initiative “7 Fund for UNICEF”, created by UNICEF and David Beckham to support children around the world with better healthcare, education and protection. One of the most recent projects undertaken by 7 Fund is to raise funds for the most vulnerable and disadvantaged kids and teens in El Salvador. To support this excellent initiative, Ferretti Group has decided to donate a limited-edition Riva Anniversario to the cause, which will be auctioned off and the entire proceeds donated to help protect children in El Salvador. The silent auction www.ferrettigroupforunicef.com will be concluded in Miami, Florida, on February 16, 2023.

To join the auction and find out more, go to www.ferrettigroupforunicef.com. The silent auction will conclude in Miami, Florida, on February 16, 2023, when the Riva Anniversario will be handed over to the most generous bidder.

explore CROATIA

*discover the coastline of Croatia and
islands of the Dalmatian coast.*

Croatia is among the best boating locations in the world. The richness of historic ruins along the coastline and on the islands appeal to explorers, plus the closeness of the islands and calmer winds make it easier and safer to travel. You effectively have a thousand miles of coastline and over a thousand islands to explore!

Dubrovnik, Croatia

when to embark

The busy season is summer, from June to September, when temperatures are high and the water is warm. During these months, the marinas, cities, and some of the islands often are packed with travelers. If you're looking to travel during this time, it's best to book well in advance. The sea conditions in Croatia can vary depending on the time of year. In the summer, the seas are typically perfect for boating - calm and clear. Looking to beat the crowds? The off-peak months of April, May, and October are a great choice. The weather is still great (just not quite as hot), yet there are fewer crowds.

Above: Palmizana, cove in Pakleni Otoci islands, archipelago of Hvar in Croatia

areas to travel

Croatia has a long coastline and several islands, making it a great destination for boating. Some of the best places to explore are the Dalmatian Coast and Istria on the northern shore.

The Dalmatian Coast includes islands like Hvar, Korcula, Vis, and Brac, which are all conveniently accessible and only a half-day apart by yacht. This area is fantastic for people of all ages since there are so many things to do and easy for boaters to explore because of its well-traveled, well-established routes. Keep in mind that Dubrovnik and Split have daily dockings from several cruise ships in July and August, so these months can be quite crowded.

The southern coast is home to several national parks, including the Kornati Islands National Park and the Plitvice Lakes National Park, which offer opportunities for hiking, biking, and nature exploration. In addition to its natural beauty, the Dalmatian Coast is also rich in cultural and historical sites. The region was once part of the ancient Roman Empire, and there are many ancient ruins and landmarks to explore, including the ancient city of Split, which is home to the well-preserved Diocletian's Palace. With its historic towns, isolated beaches, and secret coves, southern Dalmatia is described as a maritime paradise.

Croatia's northern shore is home to Istria, the biggest peninsula in the Adriatic Sea. It still heavily draws on Italian food, language, and culture after being a part of Italy from 1919 to 1947. Travelers frequently stop at coastal towns like Pula, Rovinj, and Porec. The region has a long and varied history, with influences from the ancient Roman Empire, the Byzantine Empire, and the Venetian Republic. There are many ancient ruins and landmarks to explore, including the ancient city of Pula, which is home to the well-preserved Pula Arena.

Istria makes up for the lack of nightlife and accommodation options with its isolated beauty and native culture. Enjoy fantastic day trips, including wine tasting and bicycle tours, exploring tiny villages, have farm-fresh meals, and discovering the interior region.

The Miami International Boat Show is finally here! Whether you're in the market for a yacht, or you just want to enjoy the social scene, you need to dress the part, and we have you covered.

The best looks for the boat show are comfortable and fashionable. Light weight, bright, flowing material, loose-fitting styles with Miami color palettes, and iconic sunglasses are the order of the day. Comfort is also vital when walking the show and hopping on and off yachts all day.

Pucci's printed silk maxi dress is ideal for keeping cool during the day or enjoying at an evening cocktail event. Pair it with a grass-seed-inspired Ileana Makri handcrafted emerald mini hoop earrings and House of Meraki Juniper 18-karat gold, emerald and diamond ring, perfect for spring.

When it comes to shoes, consider that you will be putting on, and taking off your shoes all day to board and view various yachts, so think about what style would work best for you. We recommend your favorite easy sandals for exploring, like gold Porte & Paire's strappy, gladiator-inspired sandals. They wrap elegantly around your foot and ankle with a slight heel for added comfort.

Choose a versatile, light weight tote bag like Jimmy Choo's 'Nine2Five' tote since it is large enough to hold all your essentials-which in this case should undoubtedly include sunscreen, a pair of classic oversized, Ray-Ban aviator sunglasses and a silk scarf to protect your hair from the ocean breeze. Now you're ready to take on the show!

Shop net-a-porter.com for Pucci Printed silk crepe de chine maxi dress (1), Ray-Ban Aviator gold-tone sunglasses (2), Porte & Paire Metallic leather sandals (3), House of Meraki Juniper 18-karat gold, emerald and diamond ring (4), Jimmy Choo Nine2Five metallic leather-trimmed raffia tote (5), Ileana Makri Grass Seed 18-karat gold emerald hoop earrings (6), and Pucci Printed silk-twill scarf (7).

N MAGAZINE PLATINUM PARTY 7.22.2022

About 500 distinguished guests danced and dined at one of the most exclusive summer parties of the year in the island hotspot of Nantucket, Massachusetts, in July. Celebrations centered around N Magazine's 20th anniversary and for this year's occasion, Allied Marine partnered with N Magazine to present the Allied Marine Lounge & Bar, to host the N Magazine Platinum Party VIP Guests. Allied Marine clients and brokers in the Northeast joined the exclusive party. Known for Ferretti Yachts, Riva, Itama, Custom Line, Pershing, and Wally lines, the Allied Marine team also showcased an elegant Riva 88' Folgore yacht docked at the Boat Basin in front of Cru Restaurant. Just as N Magazine is famous for fascinating and remarkable stories of the community surrounding this tiny, isolated island off Cape Cod, this party certainly fit the bill. The magazine covers the historical and contemporary maritime lifestyle, as well as media stars, local icons, what's hip, and the most innovative and inspiring in dining - and all the above were found among the glimmering guests at the event's unique location, the Nantucket Whaling Museum. Partying in the museum's mezzanine with a terrific view of the excitement and the genuine whale skeleton, glimmering partygoers danced the night away with DJ Maple Syrup under disco balls and lights.

The next day, guests set sail off to Navy Beach, a popular local beachfront restaurant on 200 feet of private beach overlooking Fort Pond Bay, which was privatized exclusively for the event. DJ music, beach, custom towel bars and various activities in and off the water offered special enjoyment to families with kids.
